Blade of Darkness is the largest and longest adventure in the Chains of Babylon series. You play a lone vampire hunter who is not a demon hunter, nor a demon, nor a full-fledged vampire. You are a vampire. The world around you is suffering, but you cannot seek it out, because it is in your blood and you are not human. [LOOKING FOR THE GAMES] Console: All the game versions can be played on a Playstation 4. PC: All the game versions can be played on a Windows 10. *Please note that Blade of Darkness PC version uses an older engine, and you might have to change some values in the settings.
